

## About Us

**OAK Interlink Company Limited** is a multidiscipline training and consulting outfit providing customised corporate training, onsite seminars, employee development workshops and business advisory services. Our training and advisory services are delivered on the clients' schedule and designed around their budget. We utilise top subject matter experts to provide the highest quality learning experience for our clients.

From our initial focus on Project Management, Process Improvement and Health Safety and Environment, we have evolved into a full-fledged capacity development outfit covering diverse areas including; International Organisation for Standards (ISO) courses, Oil and Gas courses, Information Technology and a range of Soft Skills courses amongst others

Our strategic relationship with International professional and certification bodies including, Professional Evaluation and Certification Board (PECB) Canada, International Association of Safety Professionals (IASP), OPITO/Atlas Aberdeen, etc gives us the leverage to deliver world class courses and certifications in our areas of focus.

OAK is a member of the Nigerian Institute of Training and Development (NITAD) and a member of the Oil and Gas Trainers Association of Nigeria (OGTAN). With over 15 years of consistent delivery of corporate trainings, open courses and consulting services in our areas of focus, we have built the needed expertise to provide solutions to our clients' challenges via Training, Advisory Services, Project Management, System/Methodology Deployment, Certification and Outsourcing.
